

## Breanne's Dangly Earrings

### You Will Need:

10 sterling silver jump rings, 6mm 19 gauge  
10 square Bali sterling silver spacer beads  
2 long kidney-style ear wires

### Instructions:

1. Carefully open one jump ring. String on one square spacer bead, and then close the ring. Make sure the ring is all the way closed!
2. Open a second jump ring. String on one square spacer bead and the closed jump ring from step 1. Carefully close the jump ring. You now have a chain of two jump rings.
3. Open a third jump ring. String on one square spacer bead and the closed jump ring on the end of your chain. Close the jump ring. Continue in this manner until you have a chain of five closed jump rings.
4. Thread your chain onto the kidney ear wire, allowing it to settle into the drop area at the bottom of the ear wire.
5. Repeat all steps for the other earring.
